**OVERVIEW**

TimberLac is an interior acrylic wood varnish which is both easy to use and quick drying. TimberLac is available as a clear finish in gloss, satin and matt. If colour is required TimberStain is first used to stain the wood, after which TimberLac is applied in 2 to 3 coats. The full job can be completed in 1 day due to its fast drying nature. Clean-up is with water.

**PROPERTIES**

TimberLac is an acrylic based lacquer coating for interior wood with the following properties:

- Tough durable finish
- Quick drying
- 3 coat application in 1 day
- Easy to apply

**AREA OF USE**

All interior wood subject to medium to light wear.

**APPLICATION & CLEANING OF TOOLS**

Stir thoroughly before use. Apply using a brush or short pile roller finishing in the direction of the grain. Leave for 2 to 4 hours between coats. Clean tools and equipment with water after use.

**STAINING**

If colour is required use TimberStain. See data sheet for application instructions.

**PREPARATION OF SURFACE**

Remove all traces of grease, wax or polish by washing with white spirits. On new surfaces ensure that nails are punched below surface and all holes are filled with suitable wood filler. Sand in the direction of grain and remove any dust with a lint free cloth.

**HEALTH & SAFETY**

Avoid prolonged contact with eyes and skin. For detailed information refer to relevant material safety data sheet.

**PACKAGING & STORAGE**

TimberLac is supplied in 1ltr, 2.5ltr, 5ltr and 20ltr containers.

TimberLac should be stored in a clean, dry area, protected from direct sunlight and extreme heat or cold. Unopened containers can be stored for 12 months. Ensure that oldest material is used first.

---

**TERACO** offers a comprehensive range of products and services for most concrete and finishing needs. Please contact the TERRACO Technical Service Department or your local TERRACO agent for further information, samples, demonstrations and instructor services. The information given in this leaflet is based upon laboratory research, as well as extensive field work and application. All products are sold subject to standard conditions of sale which are available on request. This information is based on TERRACO’s present state of knowledge and is intended to provide general information on TERRACO’s products and their methods of use. The prospective user is recommended to determine the suitability of TERRACO’s suggestions and products before adopting them on a commercial scale.
